

February Freeze 2025

Register by February 28, 2025 to be locked in to the 2024-2025 Tuition rates

Students receiving financial assistance for 2024-2025 must submit a financial aid application every year. Financial aid eligibility is determined by household income. Registration after the February Freeze program has ended may increase your tuition rate, even with a financial aid application. New families are eligible for the February Freeze tuition savings. Families applying for financial aid will be required to apply for financial aid on FACTS by April 15, 2025.

*Registration Fees, Curriculum Fees, Mandatory Fundraising Fees, 8th grade Graduation Fees and Confirmation Fees are not eligible for February Freeze
